1961 Senior Class Will

The Senior Class of 1961, aware of the fact that we aren't of sound mind. and fullv realizing the consequences, do hereby declare this to be our last Will and Testament in form and manner as follows:

To Mrs. Jones we leave memories, fond or otherwise, that we hope won't be related to anyone at a later date. The Juniors are receivers of our unbelievable ability to come out ahead no matter what obstacle may stand in the way.

The following are personal bestowals:

Glenn leaves his ability to strike dead-center on a window of a train that is going 100 miles an hour to Roy Lynn.

Jimmy Williams leaves his ability as manager to Robert Lee, and hopes it will help him in the future.

Patsy leaves to Shirley her ability to look innocent when things are popping in Mrs. Stubbs' class.

Jimmy Pickett leaves to Leonard his ability to make Coach mad, in hopes that he has better luck.

Jerry Clyde leaves to Jerry Burleson his ability to keep Mr. Goodwin entertained in the 2:30-3:30 play period.

Bertha leaves Marita her position as one of the managers along with the rings, bracelets, watches, purses, and all B. O. infested uniforms, in hopes that she will be successful for a third year.

Jack says that he didn't have anything up here but a hard time, and he wouldn't want to leave that to anyone.

Robert Taylor leaves his place in Mrs. Jones' class to Sammy Craig, in hopes that he will have more success.

Lewis Earl leaves his good looks along with his success with girls to Jimmy Lane.

Linda leaves to Fay and Mary "purple pleated pickles with pimples," sneakers, and other memories that go with the Wednesday night 15¢ show.

•Glendale leaves his football uniform to James Ray, with the hopes that the team will do much better next year.

Hulen Strunck leaves to Randy his ability to catch Mexia girls.

Sammy doesn't have anything to leave, but if he did he would leave it to Jesse Calame.

And Rena leaves Lin holding the bag--a plastic bag.
